

"With *Hospitality Digest 2014*, readers will be much better able to understand the impact of past events and the issues facing us all in the future."

Peter Ducker - *Chief Executive*
Institute of Hospitality

Big Data at your fingertips

The UK hospitality industry in 190 pages.

Did you know?

Where UK and domestic visitors stay and how much they spend?

The 120 largest hotel companies?

How many new hotels opened last year – and where?

What wages and salaries were paid to key workers in main industry sectors?

Estimated average building cost of new hotels?

How much food and drink was purchased in 2013?

Leading restaurant, coffee shop and pub operators?

How many businesses are going out of business?

Which part of buildings have the most fires?

A new publication – *Hospitality Digest 2014* – provides the answers to these and many other questions in one, easy to access, bookmarked PDF.

- ✓ 190 pages containing facts and figures on the growth of the industry's major sectors during 2013.
- ✓ Tourism, hotels and foodservice industries covered.
- ✓ A unique section examining key issues facing employers and educators.
- ✓ A wealth of information and data interpreted by experts who offer informed opinions on trends and impacts.
- ✓ Provides the most comprehensive insight yet published into the size and shape of the UK hospitality industry.
- ✓ Accompanying articles outline the key trends and developments that are facing owners and managers now and in the future.
- ✓ How to measure productivity in the hospitality industry.

Hospitality Digest 2014, the first in an intended series of annual publications, is designed to provide owners, managers, investors, analysts, consultants and the media – as well as students and graduates – with the key information they need to keep up-to-date with a fast-moving industry.
